Study on-campus in Kingston at Smith School of Business at Queen's University – one of the most renowned universities

## in Canada

# AN MBA UNLIKE ANY OTHER

TECHNICAL EXPERTISE + TEAM DYNAMICS + SPECIALIZATIONS +  
INTERPERSONAL SKILLS + COACHING + CAREER SUPPORT

“

*There are a lot of MBA programs that provide a quality business education, but very few rival Smith's team-based approach, personalized coaching, and tight-knit culture. I really felt I was learning something new every day in terms of business acumen, leadership skills and self-discovery. I would absolutely recommend this program to anyone looking for a transformative MBA experience.”*

**Kim Fulton, MBA**

Principal  
Kearney  
Toronto, ON

# THE **POWERFUL** ADVANTAGE

The MBA unlike any other. It delivers both the technical expertise and the interpersonal skills development that employers require today.

The MBA from Smith School of Business provides outstanding foundational management skills including analytics, accounting, financial theory, marketing management, information systems, strategy and more.

In addition, Smith is the pioneer and leader in fostering the personal and team skills necessary to excel in business today including group dynamics, adaptability, communications, leadership, resilience, and cultural intelligence.

Surveys\* of CEOs and corporate recruiters underscore that it is this combination of technical management capacity and interpersonal skills that is most highly valued.

## The Program

**Complete your MBA in 12 months and get into the workforce with the knowledge and skills to begin advancing your career.**

The first six months is foundational curriculum covering the core management skills required to lead in business. In the second six months you take elective courses and can also select an area of specialization (eg. consulting, finance, marketing & sales, digital transformation, management analytics, entrepreneurship & Innovation). You will earn a supplemental certificate in the area of focus.

Substantial team and individual project assignments allow for deep learning and practical application.

- + EXPERIENTIAL LEARNING
- + REAL-WORLD BUSINESS PROJECTS
- + SIMULATIONS
- + LIVING CASE STUDIES
- + CLASS INSTRUCTION & DISCUSSION

### Approach

A multi-faceted approach to teaching ensures engagement, high-value and impact. Class instruction is balanced with group discussion, simulations, team assignments, and real-world business projects. In addition, Smith's Living Case Studies provide a unique and modern teaching approach immersing you in business challenges in real time.

### Faculty

Smith School of Business faculty work together as teachers, researchers, and consultants. Together they create a tightly integrated academic plan for you.

Faculty have outstanding academic credentials and are also best-selling authors, award-winning teachers and editors of leading academic journals. *Canadian Business*, *Bloomberg BusinessWeek*, and *The Financial Times* have recognized Smith faculty as among the top management educators in the world.

For more about our faculty, go to [smithqueens.com/ftmba](https://smithqueens.com/ftmba)

*The MBA program was a life changing experience from start to finish. The diversity of people was incredible — diversity not only of thought, but of life experiences. Interacting with and learning from so many unique people provides a great base for a future career. The program jump started my career into an exciting new path with a disruptive growth-focused company. I truly have been overwhelmed by the opportunity for personal and professional growth.”*

**Josh Tovey, MBA**  
Senior Operations Manager  
Amazon  
Raleigh, NC

## Options

### Pre-MBA Preparatory Sessions

For advance grounding in core concepts and skills, Smith offers non-credit, one-day sessions in topics such as Accounting, Finance and Statistics, working with MBACase, and more.

### Certificate in Social Impact

By completing certain courses and participating in key events and volunteer activities, you can earn a Certificate in Social Impact and demonstrate engagement in responsible leadership.

### Double-degrees

You can apply MBA credits to other degrees from Smith School of Business and Queen’s University including Master of Finance, Master of Management Analytics, Juris Doctorate, and Master of Science in Healthcare Quality.

### Professional Designations

You can begin earning qualifications towards the following professional designations:

# THE SMITH DIFFERENCE

Our program is unique in its focus on developing the ‘whole you’ to be as successful as possible in your career.

## **Experiential Learning**

‘Learn by doing’ through participation in the TriColour Venture Fund (TCVF), Canada’s first student-advised venture capital fund. Students meet with potential portfolio companies, assess the opportunities, conduct due diligence and make recommendations to the Investment Advisory Board - a committee of seasoned entrepreneurs, angel investors, and venture capitalists. Deals are syndicated in conjunction with some of Canada’s leading venture capital companies and angel investors.

Queen’s University Alternative Assets Fund (QUAAF) is Canada’s first student directed portfolio of hedge funds managing a portion of the university’s endowed funds. Each generation of QUAAF members is responsible for ensuring sustainable operations and financial stewardship of the fund, providing outstanding practical experience.

## **Team Skills**

Smith School of Business pioneered the team-based learning approach that prepares you for the reality of today’s workplace. You are assigned a team for the core of the program and a dedicated professional coach helps you perform collaboratively at the highest level. You will have many opportunities to develop your personal leadership capacity.

## **Executive Coaching**

Become your best self with one-on-one coaching to maximize your effectiveness in the workplace.

Coaching is an integral part of the Smith School of Business offering and will give you a greater understanding of yourself, your strengths and your weaknesses. This will have a powerful impact on your performance and your working relationships. Coaching covers a range of areas from conflict resolution to anxiety management to mindfulness.

## Lifestyle Coaching

Prepare for the fast pace and high demands of your business career with the optional lifestyle coaching program Fit to Lead™ that addresses physical, mental and emotional well-being.

## Cultural IQ

In today's diverse and global business environment, cultural intelligence is critical. Smith has partnered with the Cultural Intelligence Center to teach how culture influences behavior and thought processes, and effective strategies for managing in a multicultural environment.

## International Opportunities

Study opportunities, available at more than 30 of the world's top business schools, provide an exceptional experience in a region of interest to you.

*The MBA experience at Smith helped me further refine the type of leader I wanted to be. It also gave me the confidence and the tools to successfully pivot into a completely new career that would not have been available to me otherwise. My year was truly a life-changing experience where I not only gained a wealth of contacts through the alumni network, but also made lifelong friends.”*

### **Roxane Ducasse, MBA**

Project Manager  
End-to-End Supply Chain at Walmart  
Mississauga, ON

## Recruitment & Career Support

You want to find the job that showcases your skills and capabilities and accelerates you on an exciting career path.

The Smith School of Business Career Advancement Centre will work with you from the start of your MBA to identify your passion and help you secure a great job. The Centre maintains strong relations with outstanding organizations across Canada and around the world, and recruiters are regularly on campus meeting with students.

A personal Career Coach will work with you one-on-one to help you prepare and manage your job search process. Coaches have specialized experience, training and connections in specific sectors.

*Anything you do in life that is challenging gives you the opportunity to grow. After retiring from the Canadian Women's Rugby Team, I researched potential career paths in business which led me to Smith. I enhanced my knowledge of business theories, concepts and skills transference and I feel I'm better prepared to pursue a career or start a business."*

### **Megan Lukan, MBA**

RBC Olympian  
Associate Financial Advisor  
Black Star Wealth  
Halifax, NS

## Join a Powerful Alumni Network

At graduation you join a powerful network of Smith and Queen's alumni in more than 150 countries. Regular events and meeting opportunities help you build valuable connections that will last a lifetime.

Smith is also the Official National Business Education Partner of the Canadian Olympic Committee.

*The team-based approach to the curriculum really excited me. For the first six months of the program, while you're going through the core foundational courses, you're assigned to a team. Our team was incredibly diverse. What I thought was really beautiful about that was that everyone brought a unique approach and perspective to the problem. It was challenging at times because you needed to find common ground, but I think it made the quality of the product and the learning that much better."*

**Hanif Shariff, MBA**

Consultant

McKinsey & Company

Vancouver, BC

## Smith School of Business

**Smith School of Business at Queen's University is renowned for its excellence, innovation and leadership in business education.**

From establishing the first undergraduate business degree a century ago to creating ground-breaking programs and courses in emerging areas including artificial intelligence, fintech, analytics, cultural diversity, team dynamics, social impact and more, Smith is at the forefront of preparing you for the business marketplace.

In addition to its rich tradition of academic and teaching excellence, Smith is known for delivering an outstanding learning and development experience. Small class sizes, personal attention, individual and team coaching, opportunities for specialization, and a deep commitment to student success characterize the Smith experience.

---

**Recognized as a top global program by**

*Smith's team-based approach and small class size enabled me to build strong relationships with classmates. I learned something new from teammates every day and we helped each other to become our best selves. The skills I gained from the team experience allowed me to interact and work effectively with a diverse group of people. These skills ultimately helped me transition from engineering to investment banking. I would definitely recommend the program."*

**Lina Yang, MBA**

Senior Financial Analyst  
Teck Resources Limited  
Vancouver, BC

*I chose to pursue my MBA at Smith because of the team-oriented curriculum, the caliber of the alumni network, and the renowned academic vigour of the school. I'm pleased to say that these criteria were met and exceeded. Prior to Smith, I was playing professional football in the CFL and working as a project director for a non-profit. I used the MBA as a catalyst to make a transition that many athletes find difficult, and with the support of the program I was able to thrive during this precarious time of my life."*

**Andrew Lue, MBA**

Consultant  
Boston Consulting Group  
Toronto, ON

## Studying in Canada

Canada is a thriving and welcoming environment for business students. It was ranked #1 for Best Quality of Life (2020, U.S. News & World Report) citing its economic and political stability, strong job market, diversity, quality of education system, and safety.

**Kingston is a dynamic small city with great amenities, resources, events and attractions.**

Smith attracts students from more than 40 countries including full-time, exchange and international double-degree students. Our Application Advisors can assist you in understanding requirements for studying in Canada.

For current and future events, go to [visitkingston.ca](https://visitkingston.ca) and [kingstoncanada.com](https://kingstoncanada.com)

# LET US HELP YOU GET STARTED

At Smith School of Business we provide a highly personalized experience from initial inquiry, through the admission process, during the program, and after graduation.

From the start we will work with you to assess your fit for the program and help you apply for admission. We're looking for outstanding individuals with stellar academic capacity, a great work ethic, the ability to work effectively in teams and strong interpersonal skills.

For more information on the admission process and requirements go to [smithqueens.com/ftmba](https://smithqueens.com/ftmba)

# GLOBAL PERSPECTIVE

We prepare you to thrive in an increasingly global business environment – through Cultural IQ, an exchange opportunity and a global alumni network. Typically more than 40 per cent of your MBA classmates will come from outside Canada. Expand your perspective and build strong connections as you work in class, in teams, and on projects.

## **Cultural IQ**

Smith School of Business has partnered with the Cultural Intelligence Center to help our MBA students strengthen their Cultural IQ, which assesses your ability to relate and work effectively in diverse situations. Learn how culture influences behaviour and thought processes, and gain effective strategies for managing in a multicultural environment.

## **International Alumni Network**

On graduation become part of the powerful Smith School of Business and Queen's University alumni network in more than 150 countries.

### International Exchange

Smith's MBA program offers exchanges at more than 35 partner business schools around the world. Through this extensive international partnership network, there are enough places for every MBA student to participate in a short or long-term exchange.\*

# CURRICULUM

Complete your MBA in 12 months and re-enter the workforce with the knowledge and skills to begin advancing your career.

Our modern curriculum features relevant courses that align with employer needs. Through specializations including Digital Transformation and Management Analytics, you will gain a broad understanding of the global business environment and be equipped to handle today's business challenges. Our integrated approach to teaching encompasses a variety of methodologies. This will allow you to develop a full understanding of business functions applicable to any industry.

There are two modules: the Foundations Level, which provides an overview of business fundamentals; and Mastery Level, which enables you to choose an area of interest.

Upon completion of the MBA, you may then choose to advance to the Expert level by pursuing a second Master's degree in this area of specialization.

## Business Pre-MBA Preparatory Sessions

Smith offers optional non-credit, one-day sessions in topics such as Accounting, Finance and Statistics, case preparation, and more.

## Business Fundamentals

Foundational curriculum covering the core management skills required to lead in business.

- Business Analytics
- Business and Corporate Strategy
- Business, Government and the Global Economy
- Economics and Industry Analysis
- Finance Fundamentals
- Financial Accounting
- Introduction to Digital Business **NEW**
- Leading with Integrity
- Managing Human Capital
- Marketing Fundamentals
- Negotiations & Conflict Management
- Operations and Supply Chain Management
- Professional Communication Skills
- Integrated Team Project\*

## Career Concentrated Electives

Take eight elective courses and an optional area of specialization. Earn a supplemental certificate in that area of focus.

Substantial team and individual project assignments allow for deep learning and practical application.

Specializations are offered in the areas of highest demand such as:

- Consulting
- Finance
- Marketing and Sales
- Entrepreneurship and Innovation
- Management Analytics
- Digital Transformation

### ELECTIVES

- Advanced Portfolio Management
- Analytical Decision Making
- Consumer Focused Marketing
- Corporate Valuation & Mergers and Acquisitions
- Creating & Executing Market-based Strategy
- Decision-making in Competitive Environments
- Derivatives
- Digital Execution
- Digital Business
- Diversity and Inclusion in Organizations
- Dynamic Strategy Analysis
- Finance Strategy
- Financing of New Ventures
- Global Strategy
- Management Accounting
- New Venture Management
- Organizational Intelligence & Strategy
- Sales Management
- Strategic Problem Solving & Insights
- Strategic Project Management
- Strategy Implementation & Change
- Tri-Colour Venture Fund
- Individual Project (mandatory)\*

\* Our project based courses offer a unique opportunity to work with Small to Medium Size Enterprises (SME) and put into practice what you are learning throughout the program.

Courses are subject to change

## Expert Level: Double-degrees

The Expert Level enables you to apply some of your MBA credits to a second Master's degree.

Currently there are six options:

- Juris Doctorate
- Master of Digital Product Management
- Master of Finance
- Master of Management Analytics
- Master of Management in Artificial Intelligence
- Master of Science in Healthcare Quality

There are multiple ways to pursue a second degree.

## Options

### CERTIFICATE IN SOCIAL IMPACT

Participating students have an opportunity to augment their degree with exposure to the dynamic world of social impact — exploring areas such as sustainability, social finance, social innovation, social entrepreneurship, and values-based leadership. By completing certain courses and participating in key events and volunteer activities, you can earn a Certificate in Social Impact.

### PROFESSIONAL DESIGNATIONS

While completing your MBA at Smith, you can begin a professional designation:

## Let Us Help You Get Started

We provide a highly personalized experience from initial inquiry, through the admissions process, during the program, and after graduation.

Contact us through [smithqueens.com/ftmba](https://smithqueens.com/ftmba) or at 1.888.393.2622 to work one-on-one with an Application Advisor.

# ADMISSIONS

We are looking for exceptionally talented and motivated individuals. Academic strength, career progress, leadership potential, and strong interpersonal and communications capacity are just some of the characteristics we are seeking for Smith's MBA Class of 2025.

Successful applicants will typically meet the following requirements:

- A four-year (or international equivalent) undergraduate degree from a recognized university;
- Two years relevant work experience;
- An acceptable and complete GMAT or GRE score\*;
- If applicable, an acceptable score on an approved English proficiency test (TOEFL, IELTS, PTE, or MELAB);
- Two professional references; and
- Completion of a short video essay component including a written question.

In compelling cases, exceptions may apply. Candidates who meet the core requirements may be invited for an admissions interview.

*\* applicants who meet certain requirements may be eligible for GMAT waiver consideration*

### **Fees and Scholarships**

The MBA fee includes program enrollment, all books, case materials and other instructional supplies, events like case competitions, career related non-academic events, and executive coaching.

The fees for Class of 2026 (starting January 2025) are \$83,885 CAD for domestic and \$110,000 CAD for international students.\*

All qualified candidates who submit a completed admissions application will be automatically considered for a number of entrance scholarships.

Visit [smithqueens.com/ftmba](https://smithqueens.com/ftmba) for detailed information on fees, scholarships and financing options.

*\*Fees are subject to final approval from the Queen's Board of Trustees*

Goodes Hall, Queen's University  
Kingston, Ontario, Canada, K7L 3N6  
Toll-free: 1.888.393.2622

### **Financing**

#### **Domestic students**

Smith School of Business has partnered with RBC to offer a student line of credit tailored to your needs.

Those accepted into the Full-time MBA Program can now apply for the Ontario Student Assistance Program (OSAP).

### **The Time is Now**

Admission to the Smith MBA is competitive. Applicants are encouraged to apply early as space and academic scholarships are limited. Complete applications are reviewed immediately upon receipt and admissions decisions are rendered after references are checked.

#### **Key Program Dates**

- Classes start – January
- Early round major scholarship decisions – May 1
- International application deadline – September 1
- Late round major scholarship decisions – October 1

### **Let Us Help You Get Started**

We provide a highly personalized experience from initial inquiry, through the admissions process, during the program, and after graduation.
